

As we discussed in class, I would like you to discuss the NFIE conceptual framework paper that I turned out yesterday, and is attached here.

Could you please post a 1-page response in Canvas and bring it printed to class that answers the following questions:

- (1) What are the strengths of the framework?
- (2) What are its weaknesses?
- (3) How can the paper be improved?
- (4) If you had to pose one research question to be answered during the NFIE, what would it be?

Please be prepared to discuss your answer in class on Friday.
